

ANCOLD DAM OPERATORS FORUM 2024

**Your opportunity to
partner with ANCOLD**

MANTRA
MOOLOOLABA
SUNSHINE
COAST, QLD
**2-4 SEPT
2024**

WELCOME TO THE FORUM

Sun, sand, surf and DAMS! And time to enjoy it all! The ANCOLD Executive and the Local Organising Committee are excited to bring the ANCOLD Dam Operators Forum to the beautiful Sunshine Coast, QLD, home of the Kabi Kabi and Jinibara First Nations peoples. The conference will be held from 2 – 4 September at the Mantra, Mooloolaba, with sweeping coastal views and centrally located near key attractions.

The ANCOLD Dam Operators Forum provides an opportunity for dam operators from organisations of all shapes and sizes; public, private, small and large; to come together in a relaxed environment and openly discuss their experiences to share knowledge, learnings, frustrations, and innovations. Consider it a networking opportunity for workers often confined to one region, working on the 'front line' maintaining and operating some of the nation's most critical assets; a chance to get out and explore. Come and participate in a range of discussions, activities, site visits, and most importantly, social connections with fellow dam operators.

This event is only possible with the support of the ANCOLD executive, our sponsors and exhibitors. We value the contribution of all ANCOLD sponsors, and welcome new sponsors to consider the brand exposure this forum can offer your business.

We look forward to welcoming you all to the stunning Sunshine Coast (hoping for no rain!) for three days of sun, enlightening discussions, and camaraderie.

2024 ANCOLD Dam Operators
Forum Convenor

LOCATION

The ANCOLD 2024 Dam Operators Forum will be held on the Sunshine Coast at the Mantra, Mooloolaba.

One hundred kilometres from Brisbane, Mooloolaba has become a major calling card for holidaymakers year-round. There's plenty of patrolled beaches and an abundance of cafes, restaurants and bars that populate the beach-front strip.

The Wharf Mooloolaba, a short wander away is where you'll find the departure point for the Sunreef Swim with the Whales experience (one of only two places in Australia you're able to do this); the Yacht Club; and aquatic wonderland SEA LIFE Sunshine Coast, wedged alongside even more eating options, the large majority specialising in seafood. Mooloolaba is home to the largest trawling fleet in the region and boasts a strong boating community, making fruits of the sea a local delicacy. Tuck into prawns fresh from the trawler, or a hefty serving of traditional fish and chips from one of the many beachside vendors.

LOCAL ORGANISING COMMITTEE

ANCOLD'S MISSION

// As the industry body, we support our members, disseminate knowledge, develop capability and provide guidance in achieving excellence for all aspects of dam engineering and management. We recognise that it is the skills of the people involved in these activities, their sharing of knowledge and collaboration that will sustain this mission. **//**

WHY SPONSOR?

- 1. Visibility and Brand Exposure:** Sponsoring the forum provides organisations with an excellent opportunity to increase their visibility and exposure within the dam operations industry.

- 2. Networking Opportunities:** The forum brings together professionals, experts, and decision-makers from the dam operations sector. Sponsoring the event allows organisations to network with industry leaders, potential clients, and partners, fostering valuable connections that can lead to future collaborations and business opportunities.

- 3. Demonstrate Industry Leadership:** Sponsoring the forum showcases an organisation's commitment to the advancement of dam safety and operations. It positions them as a leader within the industry, demonstrating their expertise and dedication to best practices in dam management.

- 4. Access to Latest Industry Insights:** The forum offers a platform for knowledge sharing, discussions, and presentations on the latest trends, challenges, and innovations in dam operations. Sponsors gain access to valuable insights and information that can help them stay ahead of the curve and make informed decisions in their own operations.

- 5. Targeted Marketing Opportunities:** Sponsoring the forum provides organisations with targeted marketing opportunities to reach a specific audience of dam operators, engineers, regulators, and other industry professionals. It allows sponsors to tailor their messaging and promotions to resonate with this niche demographic.

- 6. Contribution to Industry Advancement:** By sponsoring the forum, organisations play a vital role in supporting the advancement of the dam operations industry. Their financial support helps facilitate the planning and execution of the event, ensuring that valuable knowledge-sharing and networking opportunities are accessible to all participants.

OUR COMMITMENT TO YOU

Our commitment to you begins the moment you confirm your partnership package. Our dedicated symposium team will provide you with clear and timely responses and information relating to your package. We aim to do our best to maximise the exposure of your partnership.

A planned marketing strategy will ensure that you and your brand will receive widespread exposure in the lead up to, during and post forum.

APPLIANCE TESTING

All electrical appliances and leads used on site must comply with the Australian Standard AS/NZ 3760:2010, which requires the appliance to be inspected, tested and tagged. Items that do not comply will not be permitted to be used on site. Electrical items such as switchboards, cables and outlet fittings must comply with the Australian electrical wiring standard AS/NZS 3000:2007, and be installed by a qualified A grade electrician. Note: Double adaptors will not be permitted on site, instead power boards with overload cut off are permitted. The venue is at liberty to check that the electrical appliances that you bring on site are appropriately tagged

EVENT SPONSORSHIP AND EXHIBITION APPLICATION TERMS AND CONDITIONS

A full set of terms and conditions for conference sponsorship and exhibition packages are available on the conference website. When you complete the online acceptance form, you will be required to acknowledge your agreement to these terms and conditions to complete the submission process
